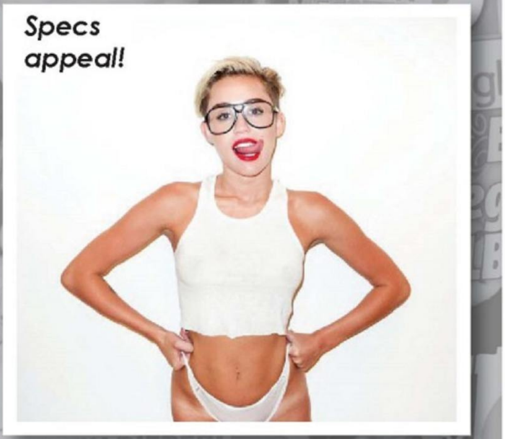
MILEY HIGH CLUB!

Is there anything quite so tedious as a former child star – a Disney child star, no less – trying to go all 'sexy'? And what does Billy Ray Cyrus think of his daughter twerking on stage in next to nothing and doing that silly thing with her tongue in nearly every photo taken of her? Does it make his heart go all achy breaky? Well, let's hope so for inflicting that record on us in the first place. It's only a matter of time before a sex tape of Miley Cyrus emerges and, we've got to say, we could definitely crank one out to her – legally. As it is, she's now stripping down to her scanties for her new video and for these artfully artless Terry Richardson photos. Next stop: An *Adult Sport* centerfold...



Specs appeal!

Miley proves she's the pits!

Close, but no cigar!

FLOWERS POWER!

Remember Bill Clinton? Yes? Well done! Remember when loads of Republican dickheads wanted to impeach him for sticking a cigar up an intern and for some other affairs that don't really affect your ability to govern? Yup, us too. Well, some of the characters from that drawn out and shoddy affair haven't disappeared. Gennifer Flowers, who claimed to have an affair with Clinton at the time, and who made about half a million dollars kissing-and-telling about it, is still around. Now 63, Flowers, who posed for *Penthouse* at the time of the scandal, is currently contributing an advice column to *Guccionecollection.com* called *Ask Mistress Gennifer*. Our first question would be, 'Why did your parents ignore the perfectly fine letter 'J' when naming you?', but the stuff she answers is a bit sexier. The answers are also inspired by Clinton – no, she won't let that alone. "I'm going to have to thank Bill for some of the advice I'm going to be giving. It will be based on experiences I had with him," she said. "Really, he taught me a lot." Hillary must be delighted.

BRAND AWARENESS!

Some people have it hard, some people are misunderstood. And others are just massive bell-ends. Make room in that last category for Christopher Lynn Jackson of Arizona who, it is alleged, branded his initials on his girlfriend's 'vaginal area' after informing her that her vagina was his. No mate, you don't have a cunt, you are one. After taking her to a baseball game, Jackson gave his girlfriend 'energy pills' but instead she passed out. When she woke it was to an intense pain in her fanny and the letters 'C' and 'J' branded there, while Jackson stood with a butane torch and branding equipment. As if that wasn't enough, he has since been arrested again when porn videos featuring a dog were discovered at his home. That's homemade porn videos by the way. Also arrested was 61-year-old Josephine Erikson, who is allegedly in some of the videos having sexy fun with another as yet unidentified woman and Jackson's male German Shepherd. Nice people.

DEEN-AGE!

Christ, doesn't porn stud James Deen ever tire of getting his dick wet? He's probably the most high profile stud at work in the jizz biz today, having performed in over 1000 scenes and becoming the youngest ever winner of AVN's Male Performer of the Year award. His profile was also boosted by his 'mainstream' acting debut in Paul Schrader's *The Canyons*, alongside Lindsay Lohan, even if that film stunk and his performance wasn't exactly stellar. Oh, and he did the first porn scene filmed on Google Glass as well. But he's not content with that, putting an advert on his website calling for new girls to come forward to film with him. Perhaps it's because he's bummed every other porn star already? The ad starts, "This is not a contest. This is an ongoing casting call for women that would like to shoot a porn scene with James. There is not one lucky girl that will shoot a scene with James, there are many lucky girls… These scenes require a camera present." For fuck's sake, James, save some for us, will you?

Under COVER

Aussie crime drama *Underbelly* was a gripping watch, but perhaps it undermined its hard-edged exploration of the criminal world by giving us tits every 5 seconds. I mean, just look at all these! We're not complaining – in fact, we haven't seen this many hot Aussie babe boobs since we got access to Toadfish's dreams...

Saffy is a girl who loves to smile, and then smile some more. But if you really want to see her beam from ear to ear like a Cheshire cat with sexy parts, then bang her in the kitchen. She loves that.

"Kitchen sex? Yes please! Even better if there's flour or oil all over the work surface. I love to get messy!"

CAN ART

New Showtime series *Ray Donovan* has serious thespian weight – Liev Schreiber, Eddie Marsan – but happily that is leavened with oodles of T 'n' A as well. Brooke Smith, Aubrey Wood, Kristin Minter and Chasty Ballesteros have all stripped for the screen and the series is only 6 episodes deep as we go to print. This is one to watch... for more reasons than one!

ADULT AWARDS

2012 Urban X Awards Female Performer of the Year
2012 AVN Best New Starlet Nominee

She grew up in Dunfermline, but Cali-born porn star Skin Diamond is now playing at a level way beyond the Scottish premier league. *Adult Sport* caught up with the sex sensation…

What were you doing before and what made you decide to embark on a career in porn?
Diamond: I was stripping and working as a fetish model. Porn was just the next logical step.

How would describe your porn 'brand' in one word?
Diamond: Different.

Who or what inspired your stagename?
Diamond: I was in a play in college where one of the characters nickname was 'Skin' and I thought it had a nice ring to it. The 'Diamond' came later – it was actually just my email/twitter name, and then it sort of became my name.

Having grown up in Dunfermline, do you consider yourself Scottish or American?
Diamond: Technically I'm not Scottish at all, I was born in California and moved there when I was still a baby. But because I lived there my whole life I feel more Scottish than anything else. I always tell my American friends, "Remember, I'm a foreigner who's just really good at American accents and has an American passport"!

And how often do you get to come back to the UK?
Diamond: Not often enough…

Do you remember your first magazine shoot?
Diamond: Yep. It was for some metal magazine (can't remember which now) to promote GodsGirls – the first site I ever modelled for.

What was your first scene? Were you nervous the first time in front of the camera?
Diamond: My first scene was a girl-on-girl scene for Burning Angel. I was pretty nervous, but not as nervous as when I did my first boy/girl scene, which I did not even a week later. I loved my first porn experience!

Have you done any interesting shoots lately?
Diamond: I'm always doing something interesting! I like to do a lot of stuff that isn't porn related too, otherwise I'll get really bored. I love posing for artists and working with fashion photographers, or anything else unusual. The coolest thing, though, is that I'm going to be in a Marvel comic! My friend painted me as Echo in the new *Daredevil: End of Days*, which is coming out soon!

Would you consider yourself bi-sexual in 'real life'?
Diamond: Yep. I have a girlfriend and a boyfriend!

Is there a significant other in your life?
Diamond: A couple….

How did your friends react to your career choice?
Diamond: Seeing as all my friends are either fetish models/adult stars/dancers, they really didn't care! My friends in Scotland thought it was awesome, but I've always been weird and very open minded.

Were you sexually active from a young age? When did you lose your virginity?
Diamond: I've always been interested in it from a very young age but I wasn't sexually active until around 17, because I was so shy in school.

What have you learned about sex from your adult career so far?
Diamond: That sex is even more amazing than I ever thought possible!

Do you have any sexual fantasies that you haven't fulfilled yet, either on film or in your personal life?
Diamond: I'm starting to run out of things I haven't done!

What type of scenes do you enjoy the most?
Diamond: BDSM scenes!

What's your favourite nasty act?
Diamond: I love spit. It's nature's lube.

Is there anything you wouldn't do on film?
Diamond: Anything involving vomit or poop. Soooooo gross! Pee is cool though!

In your opinion, what is good sex?
Diamond: Open minded sex. I like to mix shit up and get pretty weird sometimes!

What do you think you're best at sexually?
Diamond: I know for a fact that I'm really good at giving head. It's the things that you can't see happening at the back of my throat that make it good!

How often do you masturbate?
Diamond: Surprisingly, not that much… Well, not as much as people probably think I do. But my sexual appetite is often satisfied every damn day because I work so much.

Do you ever cum when you're shooting?
Diamond: All the fuckin' time!

Are you into group sex?
Diamond: Fuck, yeah.

What's the largest number of blokes you've fucked at one time?
Diamond: Five.

Honestly now, does size matter to you?
Diamond: To a certain extent. No one likes a micro peen... But really it's how you use it that really matters.

What turns you on?
Diamond: Age play.

And what turns you off?
Diamond: I hate cocky dudes that think they're the shit. Fuck them.

Any more tattoos planned?
Diamond: Nothing planned as of yet but I still have plenty of time to get more!

We love your figure, so please don't, but have you ever been tempted to get surgical enhancement?
Diamond: If I could magically have bigger boobs without going under the knife I'd do it, but the thought scares me. I have panic attacks at the dentist... I don't think I could handle any extreme surgery.

I read that you discovered BDSM at London's Torture Garden – do you remember how that felt after such a strict upbringing?
Diamond: It was amazing and invigorating! I fuckin' miss it SO MUCH... Fetish clubs in L.A. are TERRIBLE!

You have been a vocal submissive until quite recently – would you say you're discovering your dominant side?
Diamond: Yes indeed! My boyfriend is a switch, too, so we have a lot of fun together.

Do you watch porn when you're at home?
Diamond: Yep, but I can't watch porn if my friends are in it!

Which studio would you say is your favourite to work for and why?
Diamond: I don't like picking favourites, but I love working for Evil Angel, Jules Jordan, Burning Angel, Elegant Angel (so many angels!) *Sexuallybroken.com*, Mile High Media, Brazzers... The list goes on!

What do you do with yourself, other than shoot porn?
Diamond: Normal stuff really. I smoke a lot of herb and hang out with my cats. I'm pretty boring most of the time, but when I party I go all out. Probably why I don't do it as much as I used to. I just don't have time to be that hungover constantly!

RANDOM FACTS

Skin had a particularly strict upbringing, her father being a church minister who travelled around, preaching. As such, sex was always frowned upon. Not any more though, eh?

In her latest movie, *Revenge Of The Petites*, she fucks Katie St. Ives with an ice-cream scoop. Brings a whole new meaning to the phrase, 'two scoops'!

Skin was experimenting with fire-play a few years ago, until a nasty accident left her nearly dead with 2nd degree burns all over her back and the thought that she would never model again. After a long recovery, the gutsy beauty had a large phoenix tattooed over the scars and took the porn world by storm!

Skin has both nipples pierced, as well as her navel and right nostril.

She studied Acting and Performance at college and most enjoyed Shakespeare and Ancient Greek Theatre. Her favourite roles included Antigone from the Oedipus Trilogies and Titania, queen of the fairies from *A Midsummer Night's Dream*. And now you know!

Images from Revenge of the Petites, courtesy of AMKingdom.com

Do you like to have sex to music? If so, what kind?
Diamond: Electronica.

As you studied Acting & Performance at college, do you think that's the road you would have gone down, if not for porn?
Diamond: Probably. It's definitely what I wanted to do first. But then I wanted to get heavily tattooed and I didn't think I'd be able to do that if I was an actress, so I pursued fetish modelling.

Who is your favourite performer that you've worked with? Is there anyone you would like to work with in the future?
Diamond: I hate this question. I've always wanted to work with Belladonna, but she's retired now…

You did high-fashion modelling (including a campaign for Louis Vuitton) before you turned to porn. Apart from the obvious, how do the industries differ?
Diamond: Everyone is crazy in the entertainment industry. I think porn stars are just a little more upfront about it!

Would you date a fan?
Diamond: I would probably find that a little strange.

What is the weirdest or craziest thing a fan has done for or to you?
Diamond: Given me the gift of SWORDS! So fuckin' awesome!

Do you have any funny on-set stories you can share with our readers?
Diamond: I have tonnes, but I can never think on the spot when asked. Anytime I work with Tommy Pistol he makes me laugh so hard it becomes difficult to remain serious and focused!

Can you tell us something that your fans would be surprised to learn about you, please?
Diamond: I was in the sea cadets of Rosyth Dockyard!

I read that you're an avid bookworm and a bit of an old movie buff – what are your favourites of each?
Diamond: I hate picking favourites because I have so many.... *Harry Potter*, *The Vampire Chronicles*, *House of Leaves*, *Vurt*, *Lolita*, *Eternal Sunshine of the Spotless Mind*, *Secretary*, *The Little Mermaid*, *Ju-On*, *A Tale of Two Sisters*, to name a few!

We really love your blog – the photos are amazing and you seem to genuinely enjoy doing it, too. For anyone who's not familiar with it, tell us about it…
Diamond: I am the worst blogger ever but I'm glad you like it! I just post whatever is in my head. Sometimes there is a specific topic, sometimes I just write what I've been up to. But I always like to make sure I post a lot of pictures.

What inspires you?
Diamond: Strong women inspire me: Cleopatra, Audrey Hepburn, Aphrodite *(I do realize that she's not real!)*. I'm also inspired by the beauty in everything, and the darkness. Without chaos there can be no beauty.

What are your plans for the future?
Diamond: Continue having fun no matter what happens. I just want to be happy and to continue to grow mentally until the day I die.

What's the best piece of sex advice that you can give to our male readers?
Diamond: You can never please a woman too much.

Sharon STONE

When a man grows tired of seeing that bit in *Basic Instinct* when Sharon Stone flashes her difference, he's tired of life. And when he's tired of trawling the internet or DVD shop for her many, many nude and topless scenes? Better get a bodybag and call the coroner...

FAKING it!

In our dreams, this is exactly what our favourite celebs would look like naked. But of course that's all that these photos are, impure figments of our imagination. It doesn't hurt to look though, does it?

Secret SHAGS!

Hello readers. I'm sure you're used to hearing stories in *Adult Sport* from girls like me, all trying to outdo each other with all the naughty things they've been up to. Well, I'm not going to try and compete with the stuff you will have read – I know exactly what girls in this industry are like, and I'm actually a pretty normal person. Yeah, I know a lot of people don't think taking your clothes off for a living is normal, but I do all the regular things a woman my age does – I go shopping, out to dinner, a bit of clubbing, the cinema, that kind of stuff. I'm no different to any female friends you might have, apart from the small percentage of my week when I've got my legs spread in front of a cameraman!

So this is more of a confession than an out and out description of crazy sexual behaviour. I'm telling you guys because I can't tell anyone else, and I know my husband and friends won't read this. The reason? Because none of them know what I do for a living!

So yes, I have been a model for a few years, but I always restricted the number of shoots I would do because I didn't want my friends and family to find out. I often change the colour of my hair, wear outrageous outfits, and mainly do shoots away from home. I live in the Netherlands, so a lot of the shoots I do will be in the UK or other European countries, and we make so much porn back home we rarely need to import smut from elsewhere. I've had a day job as a hairdresser all this time too, but the money in modelling is good (especially if you don't wear out your welcome) so I'll often take a trip to London, get a few shoots done, hit the town, then head home. Easy.

Well, it was easy until I met Ben, who went from being boyfriend to husband in a very short space of time. I started going out with him just over a year ago and six months later we decided to get hitched, and it all happened very fast. Too fast for me to tell him about my secret modelling career. Now, I'd never done boy/girl and never would, but I have done a lot of girl-on-girl shoots and I didn't really want to give that up – I love pussy! But I was worried Ben would try and stop me so I decided I would just not tell him about what I did.

As you can guess, it's been pretty tough sneaking out of the country to do modelling jobs without my fella knowing about it. Hard to convince him you're on a business trip when you're a hairdresser. I settled for a lie that my oldest friend lives in London, and every two months I would visit her. I would then fly over for a few days and get as many shoots done as possible – simple! And it was working so well, right up until I got too carried away on set, which was what I wanted to confess today.

It was a girl/girl shoot with a model called Sophie. I'd already shot a couple of solo sets that morning, and the photographer – an old friend, who I'll call Mike here – introduced us when she arrived. A real stunner but quite shy, with long dark hair and pert little boobs, I fancied Sophie from the get-go, and couldn't wait to get my mouth between her legs. The fact that she was so shy and demure made the thought even more exciting.

So we started shooting. A simple set-up in Mike's living room, with me seducing Sophie on the sofa. Even though she was shy, she didn't hold back, so when I pulled her lacy knickers down and saw her freshly-shaved pussy for the first time, she took no hesitation in thrusting it in my face. She was already really wet (as was I) so I pusher her on her back and started licking her swollen clit.

Mike was having trouble keeping the pair of us still. Every pose Sophie and I got into was such a turn-on, neither of us could help trying to make each other cum. I could hear

mags.net

WorldMags

Mike getting frustrated in the background, but holding still while I had my mouth on her tight, young pussy was just impossible. And she couldn't get enough of squeezing my tits and trying to put her fingers inside me. I don't know what came over us – we were insatiable.

I was just thinking about how my new husband would react if he could see me having sex with this gorgeous model, whether or not he'd be jealous and furious or just turned on, when I noticed that Mike had stopped taking photos. My head was buried between Sophie's thighs and she was moaning quite loudly, so it was fair enough that I didn't really know what was going on around me, but when I looked up I realised Mike was just watching us and wanking. And I could hardly blame him. I gave him a smile and went back to licking Sophie out, waggling my bare bum at him as I did so.

Sophie ran her hands through my hair and started bucking her hips as I brought her to orgasm. I decided that making a girl cum while a guy wanked behind me would most certainly make my hubbie angry as opposed to aroused, so I stopped thinking about him and tongued Sophie harder and faster as she climaxed.

At that point, I felt a warm shower of jizz spray over my back. I was so caught up in the moment, I couldn't get angry with Mike for cumming all over me. I felt it drip over my cheeks, over my wet pussy, and I rubbed it into my skin as Sophie's moans of pleasure subsided.

Sophie then pushed me onto my back and proceeded to return the favour, kissing all around my thighs and tummy until letting her full lips rest against my spunky pussy. She licked Mike's cum off me and then pulled my pussy lips apart to give me a proper seeing-to. I watched Mike zip himself back up and go back to his camera as Sophie worked away between my legs, and it wasn't long before I was shuddering to a really intense climax. I wondered how unfaithful, on a scale of one to ten, this was, and settled on about a seven or an eight. I thought about it as I flew back to the Netherlands, back to my loving and blissfully unaware husband, but soon put it out of my mind – what's done is done. And let's face it, I'm probably going to do it again pretty soon so I'd better just get used to it. Thanks for listening, boys – I hope you don't think too badly of me!

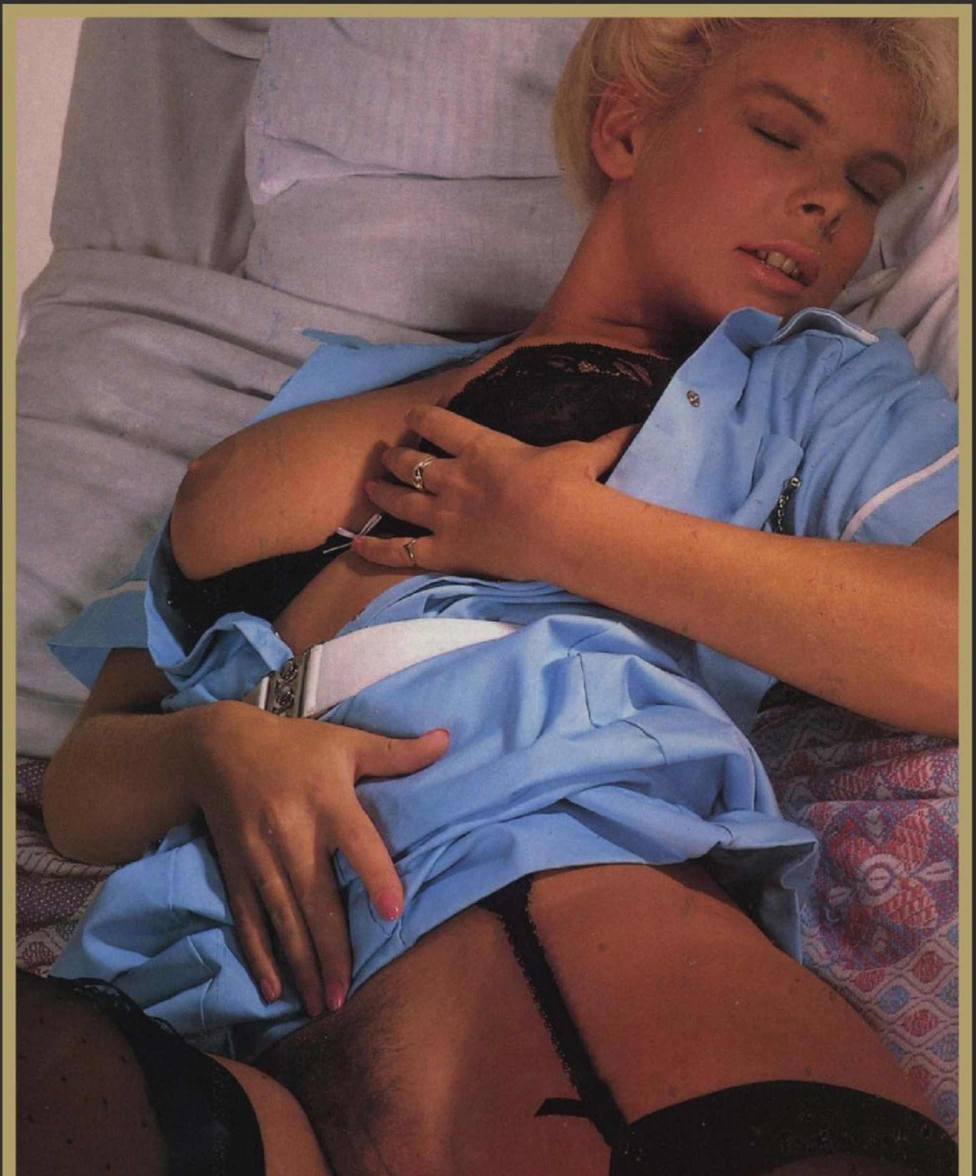
Tuppence MIDDLETON

In certain circles, the word 'tuppence' is a friendly name for the vagina. Sadly, Tuppence Middleton is yet to share that part of her anatomy with us, but the homegrown actress has got her top tuppences out in 2012's *Cleanskin* and 2013's *Trap for Cinderella*. Which is more than you can say for those other Middletons...

Legends of PORN

ANDREA CLARKE

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...



There's little doubt that Andrea Clarke was one of the biggest glamour models of the '80s. Hell, she was the regular girl for our eminent sister mag *Club International* at one point, and they don't give that honour to any old ponk. She wasn't Page 3 big – after all, that rag tends to look down on girls who've done porn, and Andrea had dabbled in a few randy photo shoots for the likes of Private. But it was in the British top shelf field that she really excelled, and mostly when she worked with glamour snapper Joanie Allum, one of the queens of glamour snapping at that time. Their themed shoots for *Club* were superb, but Andrea also graced *Men Only*, *Escort* and *Razzle*, showing off her Yorkshire charms. She called it a day before her beauty waned, leaving us wanting more. Time to dig out those back issues again...

@MissLarkinLove

Only in this business will irate fans call you both a "fat girl" and "underweight . . with sunken cheeks" in the same week.

Please remind me not to read threads about me in mainstream porn forums. People never have anything nice to say.

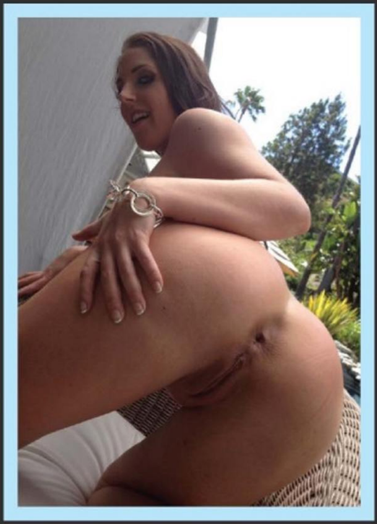
You know you're into beta-males when you spend all 91min of "Friday The 13th: The Final Chapter" pining for young Crispin Glover.

@OMGitsJessieLee

So many people around me at the airport are coughing. Where's my SARS mask at?!

I'm really glad that right when I get back from New England, the porno moratorium is lifted. I'm also happy that the testing is more strict.

I love when really attractive guys come into my work and want to spend lots of money on me haha.



@angelawhite

1788 people in my room, looking at my boobs. Just my average Wednesday night.

Dear Phoenix Marie. I'm still waiting for you to take out all of your sexual frustrations on me and my holes.

@danadearmond

Take note porn girls. I did the maths. And the less money I made, the less money I spent this month. ***#protip***

Looking forward to some hot Christian style mutual masturbation moratorium porn coming out this week.

ASHLYNN

US porn star Ashlynn Brooke is a bit up in the clouds, shall we say? How else can you explain the fact that she's never heard of *Adult Sport* – a publishing phenomenon known around the world. Maybe she doesn't read 'literature'. Whatever, her bits are still nice, aren't they? So we'll let her off...

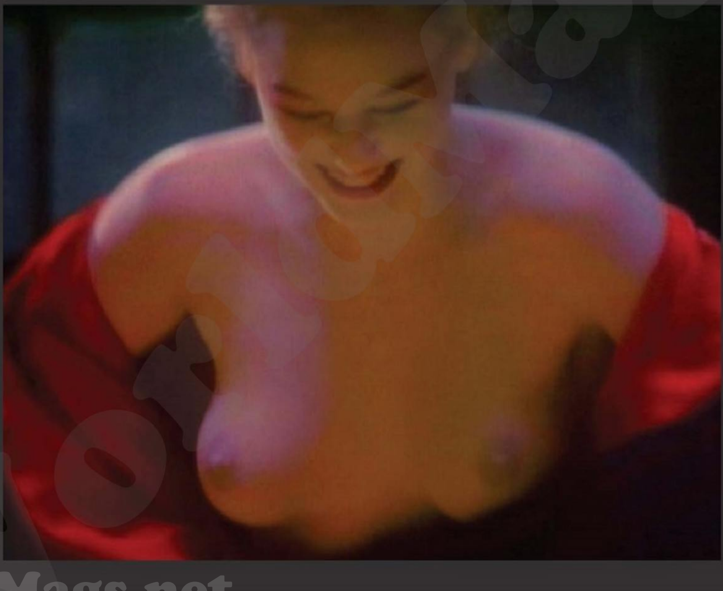
Virginia MADSEN

She might be the sister of Michael Madsen, and 50 years old, to boot, but we won't hesitate in coming out with it: We'd like to see more of Virginia Madsen's body. Her acting is mighty fine, too, but ideally there'd be a bit of thesping, and then prolonged scenes of her boobs, bum and maybe even her smidge. Is that too much to ask?



THE
BEAUTIFUL
GAME

A- Z of Great Sex
Part 2

Following on from last month's A to M, we're now working up to the big climax of Adult Sport's alphabet of better sex.
by Rose Crompton

N is for nipples
Research has shown that stimulation of women's nipples activates an area of the brain called the genital sensory cortex. This is the same brain region that recognises when the clit, vag and cervix are stimulated. It's no wonder some women are able to orgasm by having their nipples toyed with! Try sexy accessories like Sex & Mischief Feathered Nipple Clamps ***(£11.99, HarmonyStore.co.uk)*** for added sensation.

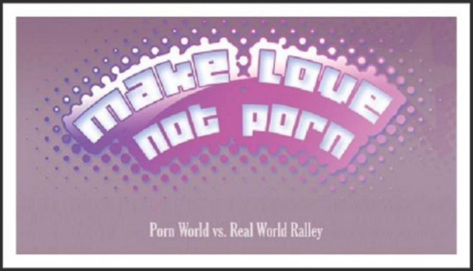
O is for open your eyes
For face to face positions, like missionary, keep eye contact with your lover every once in a while. It's actually really sexy, makes orgasm way more intense and it's easy to see from facial expressions what's working and what isn't.

P is for porno's
Watch a porno for inspiration, or make your own. There are loads of amateur sites to upload your videos too and even some like ***MakeLoveNotPorn.com*** where you can earn money from self-made videos depending on how many people watch it.

Q is for queening
This is just the posh name for getting your woman to sit on your face while you lick her from slit to clit. It can offer feelings of being subservient to your woman. You're only done when she decides to get off and let you go, so lap it up!



make love

Porn World vs. Real World Ralley

R is for remote controls

Fancy some fun in public? Try a wireless remote control sex toy like the NU 10 Function Power Bullet for her, or the NU Hero Wireless Cock Ring for you ***(28.95/29.95 respectively from Sextoys.co.uk)***. Swap controllers and let the fun begin.

S is for spunk
Certain foods can have an effect on how your come tastes. Cook book Natural Harvest ***(£12.34 from Amazon.co.uk)***, all about cooking with semen, recommends pineapple, mango, grape juice, wheatgrass, fresh mint and celery to improve flavour. Apparently raw ginger and drinking lots of ginger tea offers a 'pleasant exotic flavour' too.

T is for threeway

Either try the real thing, or if that's not your bag, simulate a threesome using a Fleshlight

FLESHLIGHT

(from £49.99 from HarmonyStore.co.uk). Get your missus to sit on your face and then wank you off with one of the pussy Fleshlights. It's double the snatch, but with none of the drama.

U is for underwear

A good pair of kecks says a lot, mostly they scream, "Look woman! Here's my dick, GRR!" Hard ons definitely look hotter when they're straining against a pair of tight CK's, or David Beckham style Armani's. Get rid of the loose fitting boxers and let your lady see your lunchbox!

V is for vibrators

Big, small, anally, vaginally, clitorally, realistic or futuristic looking, vibrators can be amazing for both of you. It's worth taking a look at the many options out there and shopping for one you both like the look of can be a laugh.

W is for watch each other wank

Mutual masturbation works on so many levels. It can make a nice change from blow job, or cunnilingus foreplay; fulfils voyeuristic fantasies as you watch your partner get worked up; you might learn a thing or two about how your partner likes to be touched and where. And she'll definitely know what works for you as well!

X is for x-rated texts

Sexting can be the ideal all day foreplay. Sex Educator, Yvonne K. Fullbright, Ph.D in her book Sultry Sex Talk to Seduce Any Lover ***(Quiver, £12.99, QbookShop.co.uk)***, suggests that rather than just writing sex messages, you play a fun picture game called Name This Curve. "Using your phone's camera take a snapshot of yourself – the curve of your neck, your abs, your inner thigh. Send the picture to your lover with the message: "Name This Curve". Have fun going back and forth, getting racier if you dare and adding flirtatious text to your steamy picture."

Y is for ”yes!“

Sex is about exploring and trying new things. Keep an open mind and say "yes" and you may discover something you thought you wouldn't like, you actually do, i.e. a cheeky finger up the bum, or mutual masturbation.

Z is for zzz's

Ever wondered why you sleep better after a good fuck? Well, scientific research has shown that during male orgasm the hormone prolactin (amongst other things) is released. This is associated with sexual satisfaction and has a sleep inducing effect, therefore if you doze off afterwards, tell your missus that it simply can't be helped; it's just how you're wired.

JAYME

Lovely redhead Jayme was all set to go to law school until a win on the US lottery allowed her to pursue her first love: Showing her lovely pale minge off to magazine readers (and people with the internet). She's sworn never to do a real job in her life, although we reckon making our penises bigger is a more than respectable vocation.

Mischa BARTON

Mischa was born in London, but made her known in lightweight Yank drama *The O.C.* But as a teen queen it didn't look like we'd get nudity any time soon. Well, what did we know? She's since got her ta-ta's out in the likes of 2008's *Assassination of a High School President* and 2007's *Closing the Ring*. Make your own 'opening the ring' jokes...

SUGAR BUSH!

Sugar Fuck Candy

Starring
Tiffany Doll, Angell Summers, Yuffie Yulan, Samantha Bentley, Lucia Love,
Ashley Downs, Jasmine Jae, Jay Snakes, Omar, Dirty Dog, Marc Rose

Directed By
Strangelove

Available From
Harmony Films

While Harmony directors Tanya Hyde and Gazzman may often immerse you in a world full of rubber and gasmasks, Strangelove takes a different approach to costume with *Sugar Fuck Candy*. Here we get berets, women with their hair in rollers, headscarves. And it works, largely because the women in question are all gorgeous, highly sexed and, when we join them on set, usually with their tongue inside a pussy or with a cock nestling in one of their orifices.

Unusually, Samantha Bentley is taking a rest from being bummed and just shares a lesbian lickathon with Lucia Love. And while we're alliterating, rest assured they tongue each other's twat until they're tuckered out. We spend more time watching Yuffie Yulan juggling with the seemingly tireless cock of veteran stud Omar. He doesn't age, and stuffs her slot with a vim and vigour that had us feeling old.

We spent most time staring goggle-eyed at a threeway between Tiffany Doll, Angell Summers and stud Jay. These euro babes like it in the backdoor, and Jay was more than happy to make his deliveries round there. Another day at another Harmony humpfest. It's another winner, and it won't rot your teeth…

WorldMags

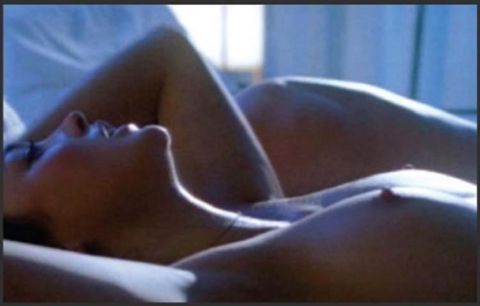
Dirty DUTCH

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we go to the home of tulips, the Red Light District and, surprisingly, not all that many naked movie stars…

Hello, please come visit us and our wonderful economy built on bicycles, weed and prossies...

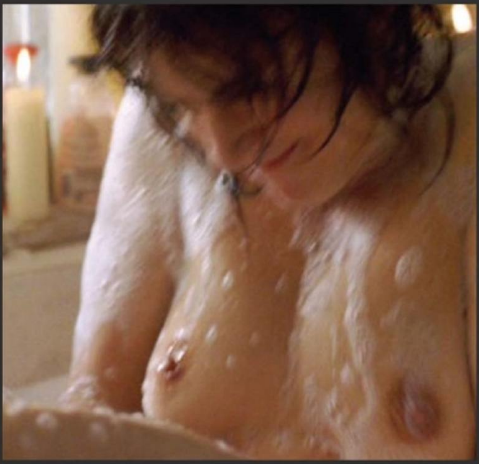
CARICE VAN HOUTEN

Ah, Melisandre. How sexy you are when you're not spawning murderous inky smoke babies out of your fanny. That, of course, is a reference to *Game of Thrones* and the role for which most of you will know Carice Van Houten. She was already familiar with screen nudity, having made a real splash in Paul Verhoeven's excellent *Black Book* (2006), where she died her pubes and romped nude. The Liederdorp-born lovely also goes Dutch in such well-known classics as *De Passievrucht* and *Komt Een Vrouw Bij De Dokter*. Yes, those. But now she's in the States, weaving her mysterious web as Melisandre, which largely involves getting her tits and bum out and then doing magic things. Lush.



KATJA SCHUURMAN

38-year—old Katja is an actress, a DJ, a VJ, a singer and TV presenter from Bunnik in the Netherlands. And, despite all these accomplishments, we'd never heard of her until we started researching this article. Just goes to show. She doesn't look like your typical Dutch dame, which is due to her ethnic mix – a combo of Antillean, Chinese and Surinamese. And, if you haven't heard of her, you definitely won't have heard of any of the TV shows or films in which she's been good enough to show us what lies beneath her clothing. 2002's *Oesters van Nam Kee*? No, it didn't come to our local Cineworld either.



KIM VAN KOOTEN

It's not all Amsterdam when it comes to Holland, you know. Nope, Kim van Kooten is from Purmerend, which we've never heard of but now tip our hat to. She's an actress and screenwriter who kicked off her career in the only way we acknowledge – by being naked from minute one. That was in 1996 Dutch film *Zusje*, which had a kinky story about sex with an estranged brother that we didn't really understand. But we did understand that Kim's bits were all in the right place. More nudity followed in *Jezus Is Een Palestijn* and we also got to see her Robin Van Pussy in 2003's *Phileine Zegt Sorry*. Maybe it was big at the Dutch Oscars or something...

MARUSCHKA DETMERS

Yeah, it's a real household name edition of *World of Sort*! But hey, it's our job not just to show you rude photos of women you already know, but also to show you rude photos of women you're not yet aware of. And Maruschka Detmers is one such, born in Schoonebeck, Netherlands in 1962 and beginning a career of frequent starkersness in 1983's *First Name Carmen* where she showed off her magnficient merkin. There was more in 1984's *Vengeance du Serpent a Plumes* and some mighty fine lesbicity in the same year's *La Pirate*. But rudest of all is 1986's *Devil in the Flesh*. She was nude for loads of it, but then actually sucks a guy off in one scene. And you don't get that in your average Hollywood film, do you?

SYLVIA KRISTEL

We're guessing you've heard of the lovely, late Sylvia? Born in Utrecht, she achieved stardom as the star of the first *Emmanuelle* movie, and several of its sequels. For many of us, especially in the VHS era, *Emmanuelle* was formative wank fodder of the best kind, promising an exciting Scandinavian world of free and liberal sex. She didn't confine her lithe body to *Emmanuelle*, however. She was also naked in 1985's *The Big Bet* and *Mata Hari*, 1981's *Private Lessons* and *Lady Chatterley's Lover* and many, many more. Sylvia, we owe you a lot.

Anne HECHE

To some, she's the actress who shacked up with Ellen DeGeneres for a lesbian relationship. To us, she's the actress who did that but who also got her very perky tits out in lots of films, while smoldering very adequately indeed. Check out *The Juror*, *Wild Side* and *Spread* and discover just what this lesbo can do for the average male member.

SUZANNA

So, we have to endure the Eurovision Song Contest every year, but the powers that be have yet to get a Eurovision Boob Contest off the ground.? What the hell are they up to? Suzanna here is particularly aggrieved, as she reckons she'd get 12 points from everyone. We can only agree, because our dicks are pointing up all of a sudden...
